

Molding Children for Christ's Service

ADMISSIONS POLICIES

Attendance at Mount Calvary Christian School is a privilege and not a right. If at any time a student's conduct, academic progress or cooperation with the school administration is not acceptable, the school has the right to dismiss the student from Mount Calvary Christian School.

Any exceptions to the following Admissions Policies must be by school trustee approval.

I. General

1. Parents are strongly encouraged to enroll all their eligible children. This practice fosters unity of effort on the part of all family members and helps promote the best interests of the children, the family and the school.
 2. Pre-kindergarten and kindergarten students must be 4 or 5 years old respectively by September 1 for admission.
 3. Immunization records must accompany the kindergarten application. Students at all other levels must provide health records from their previous school.
 4. The registration fee must accompany a completed written application.
 5. All new students are accepted on a nine-week trial basis.
 6. If a student is expelled, re-admission must be by written request and school trustee approval.
 7. A satisfactory interview must be completed before a student is accepted. At least one parent or guardian must attend the interview.
 8. Prospective students in grades 6-12 must complete a separate student application in addition to the family application. The middle/high school student must be interviewed by the supervising principal and give a clear indication of the desire to be at the school.
 9. No enrollment is final until a student's transcripts have been received in the school office and all requested forms are completed on file.
 10. No student will be enrolled if the family has an unpaid financial obligation at another Christian school.
 11. No student may graduate from our high school unless he/she has attended one full school year at Mount Calvary Christian School.
 12. Priorities for acceptance are established as follows:
 - Priority I: Current school families, including children of new employees.**
 - Priority II: Members of Mount Calvary Church**
 - Priority III: New families must submit a completed application form. Former school families seeking to return will be considered new families.**
- *Qualification for these priorities is contingent upon submitting re-enrollment/enrollment forms according to the established deadlines.
13. The school reserves the right to dismiss any student who does not cooperate with the educational process.
 14. The school reserves the right to dismiss any family that does not fulfill its obligations as agreed to herein.

Mount Calvary Christian School admits students of any race, color, national, and ethnic origin, disability or handicap to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin, disability or handicap in administration of its educational policies, admissions policies, scholarship and loan programs, athletic and other school-administered program.

II. Spiritual

Because our school is thoroughly Christian, we place an emphasis upon spiritual training. Our beliefs are based upon the Holy Bible and it is from God's Word that we derive our standards and teach our students. The school seeks students whose parents are in substantial agreement with our school on spiritual matters and who will manifest a spirit of true cooperation in this area. The school seeks to enroll students who have accepted Jesus Christ as their personal Savior and whose families attend a Protestant, fundamental church.
