

Elementary Chapel Program

Weekly chapel programs reinforce the strong spiritual emphasis at Mount Calvary Christian School.

Our chapel programs provide a focused time of music, worship and strong biblical preaching.

Elementary chapel is a fun and meaningful time for our students. These weekly gatherings provide faculty and administration an opportunity to recognize outstanding achievement in conduct and academics as "Thumbs Up" awards are given out at the beginning of chapel. Action and worship songs get the children involved in praising the Lord. Challenging messages are brought by local pastors, missionaries and children's workers. Our 5-year-old Kindergarten through 2nd grade classes have chapel together on Wednesday mornings. Third through fifth grades have their chapel program at the end of the day on Wednesday.
