

Spiritual Emphasis Days

Spiritual Emphasis Days are scheduled once or twice each school year as a time dedicated to focusing on our walk with Christ. Prayer is central to these days as well.

In 2008-2009, our Spiritual Emphasis Day theme was *Living a Life of Excellence*. Speakers challenged students to

strive for excellence in:

- Their relationship with God
- Their relationships with others
- Academics
- The Workplace
- Athletics and Fine Arts

Prayer groups were formed at various times throughout the day as well as involving corporate prayer.
