Did you know?

Because the cost of tuition only covers 70% of the total operating budget, additional funds must be raised to meet expenses. In a typical year, \$1,600 to \$1,900 is needed to bridge this "tuition gap" for each student enrolled. This money comes from fund raising and appeals to concerned persons who understand the mission of the school.

TUITION PAYMENT OPTIONS:

- One payment – Full-year tuition due by August 1 (1% discount).
- Twelve monthly payments by preauthorized debits. Pre-authorized debit enrollees may choose a payment due date of either the 5th or 20th day of each month. The entire tuition account must be paid in full by June 20th.
(A \$25 fee will be assessed if the pre-authorized debit is returned NSF)
- Alumni Discount – Graduates of MCCS will receive a 10% tuition discount for their enrolled children. This discount does not apply to families that receive the Mount Calvary Church member discount.
- Referral Credit – A \$200 credit will be applied to the tuition account of any currently enrolled family when a referred family is accepted for enrollment at MCCS.

FINANCIAL POLICIES:

- Late Fee – A \$25 fee will be assessed for tuition payments received 10 days or more after the payment due date unless prior arrangements have been made with the business office.
- Withholding Records – Final report cards, transcripts, and official records will not be released if tuition or other fees have not been paid in full.
- Unpaid Tuition – At the discretion of the MCC Official Board, delinquent tuition accounts may result in dismissal of the student(s) from MCCS and admission for subsequent school years may not be approved.
- Late Enrollment/Early Withdrawal – For students' enrolling after the school year has begun, tuition will be pro-rated based on the remaining days in the school year. For students choosing to withdraw their enrollment prior to the end of the school year, a fee of \$100 will be assessed and monthly tuition will be due in full through the month of withdrawal.

TUITION ASSISTANCE PROGRAM

The Student Tuition Assistance Program provides an opportunity for a Christian school education for many who otherwise would not be able to afford the full cost of tuition. Assistance is based on income-related need, with specific amounts determined by the total funds available for the year. The parents are responsible for the timely completion and submission of the appropriate application forms. MCCS maintains strict confidentiality concerning all financial assistance applications and awards.
