

Dear Friends of Mount Calvary Christian School,

As the Trustees of Mount Calvary Christian School, allow us to say "THANK YOU" for all you do to shape and direct the lives of the 465 students that are currently in our care and the more than 700 alumni that have graduated from this outstanding school.

As Christmas nears, many of us consider how to give back to organizations that mean so much to us and our community. As you plan your year-end giving, please consider MCCS. Due to the overwhelming response to the 2015 Classroom Enhancement Project in which more than \$50,000 was raised for educational initiatives, we have decided to again present you with a "wish list" of opportunities to sponsor a need at MCCS.

As you know, our faculty and staff accomplish innovative educational activities with our students, often with few resources. There are many assets that, while not critical, would greatly enhance the learning environment and our teachers' abilities to provide a higher quality of education to our students. We present these requested items in the enclosed "MCCS Wish List" for you to consider sponsoring this Christmas.

Ways to Participate:

1. **Sponsor a Need:** The attached list includes more than 100 items starting at \$5. Please review the list and consider the items you could sponsor this Christmas. Fill out the enclosed response card and send it back to the school with payment information.

Our wish list is also online at www.mccswishlist.com where you can view the list with pictures, select the items you would like to sponsor & checkout with a credit card payment.

2. **Giving tree:** The act of giving something back to MCCS is a great way to nurture your children in a spirit of giving. There is a "Giving Tree" outside the office with ornaments listing smaller needs (markers, jump ropes, etc). Take one or more ornaments from the tree, purchase the items, and place them in the bins under the trees.

We ask you to prayerfully consider how you can be a blessing to our teachers, staff, and students this Christmas. If you do not know what project to fund, you can mark your check "Use as Needed"; and we will use your gift to provide for the most pressing projects. This option is also available at www.mccswishlist.com.

Since 1976, through the Lord's provision, MCCS has impacted the lives of many individuals and families. Please join us in this endeavor, so that we can continue that legacy now and into the future.

In Christ,

*Jon Hubler, Paula Hynum, Anna Kelley, Jon Mohr,
Amy Stewart, Tom Butler, Ken Wolfe, Karen Gerlach,
and Dr. Daniel Sheard*
