Qualify for Honors Diploma

Minimum GPA: 3.9

Minimum Math MAP RIT Score: 250
Minimum Reading MAP RIT Score: 245
Minimum Language MAP RIT Score: 245

Attendance Requirements: In order to graduate from Mount Calvary, students are expected to attend full-time both semesters of their senior year.

College Preparation: Students planning to attend college are encouraged to achieve an honors diploma. While these recommendations meet entrance requirements for most colleges, some competitive colleges may expect additional units in science, math, and/or world language. Students are encouraged to evaluate their career interests or college major when designing their four-year experience at Mount Calvary.

* Students who transfer into MCCS from schools without previous Bible credits need to complete only enough credits to equal the number of semesters enrolled at MCCS. Courses at stipulated grade levels are required.

** Students may take a minimum of either three years of math and four of science or four of math and three of science

*** Students may have no more than one study hall per day.
