PERFORMANCE ATTENDANCE POLICY

Our concerts are the end result of countless hours of rehearsal throughout the year. It is our goal to present a program that seeks to bring honor to the Lord and is a positive experience for our students. Because of this, every effort should be made to make sure everyone is in attendance. Without required attendance, it is not possible for us to put on a successful program.

Some exceptions will be made such as: extreme sickness, death in the family and other extenuating circumstances may be excused. However, this does not include work, non-MCCS sporting activities, doctors appointments (unless emergency), college trips, personal days, family outings, transportation problems, etc.

If a student must miss a performance for any reason, the director must be notified as early as possible. Except in the case of an emergency, we ask that at least a month's notice be given in writing and stating the reason for a student to be considered for an excusal (final decision will be made by the Fine Arts Director). Absence from school does not automatically excuse a person from a performance. If a student is too sick to perform, the director must be notified before the day begins so that he/she can adjust the program if needed. Notification following ANY program will be considered unexcused, and a failing grade will be given for that performance.

Please, notify the director for a request of excusal. DO NOT notify the office unless it is impossible to reach the director! All notifications must be made directly by a parent, not students. All unexcused absences will result in a grade reduction for that quarter.

*****Students who are excused must make up the grade for that concert by doing a project assignment as determined by the director. This will include a listening assignment and evaluation. The assignment will then be graded and will take the place of the concert grade that was missed.*****

Grading Procedures

Points are earned based on participation. Students are not graded on their musical ability or talent!

Performance Attendance: 40% of their semesterly grade will be based on attendance and successful participation at required performances. Participation includes arriving on time and being properly dressed for the event as well as proper behavior for the entire evening - on and off-stage. Students are expected to be quiet while other groups are performing and stay for the entire concert

*****Excused Absences: For what is considered an acceptable excuse, refer to the Attendance Policy.*****

Participation: 40% of a student's grade is based on daily rehearsals. This includes good rehearsal techniques based on effort, behavior (talking during rehearsal), facial expression, posture, memorization, etc.

Quizzes/Practice Sheets: For choral and handbell students, occasional worksheets, quizzes over theory, concert evaluations, and journaling of rehearsals will be given and will make up 20% of the quarterly grade. For band students, this grade will be made up through weekly practice sheets and occasional assignments.

Grading for Handbells

Some of the criteria Mrs. Crick uses when grading:

Circular motions

Looking up and checking the director and timing

Techniques correct – echos, gyro's, swings

Damping Correctly

Timing

Clean cut offs at the end

Practice Sheets

Middle School Band students must fill out a practice sheet every week. High School Band students must fill out a practice sheet every other week. Failure to turn these sheets in will result in a zero for the week.

Practice sheets must be signed by a parent after student practices for the week. Parents, please do not sign the practice sheet until after the student has totaled up their practice time for the week.

Uniform Policy – HS Chorus

Fundraising

Fundraising is a great way to help lower your child's costs for the Music Retreat, Music in the Parks and Choir Tour.

Hershey Park – Volunteer in Food Services & Rides

Here's how it works:

If interested, contact Kathy Kuntzelman for a list of possible dates.

specialkz8@juno.com 717-341-0410.

She will then contact the park to get you on the schedule. Each person volunteering (must be 18 or older) will earn \$6.00/hour for your child and receive a single (S) voucher for a ticket to Hershey Park. Occasionally, more than one ticket can be earned! The money will be sent to MCCS, and we will credit your child's account.

For Example: Two parents working for five hours on a Saturday will earn \$60.00 toward their child's expenses and two or more vouchers for tickets to Hershey Park as well!

*****These balances will reset at the end of each school year*****

Private Lessons

Private lessons on most instruments are offered through the school. Lessons are required for all band students through 8th grade but may also be required for HS students that are remedial or wish to play on a more advanced level. Lessons are \$18 per 1/2 hour unless otherwise arranged through a teacher. Lessons may be taken during the day or after school, depending on the schedule of the teacher and preference of the parent. Please refer to the list of our music staff when selecting a private instructor for your child.
