Principal's Note

As we enter November, I am thankful for the work God is doing at MCCS and for the opportunity we have to invest in the lives of our students while partnering with families. It is a privilege to see students grow in their faith, develop their abilities, and learn what it means to serve others. I am grateful for the families and staff who share in this important work.

One of the highlights of my year is our annual Veterans Day Program. We are deeply grateful for the sacrificial service of the men and women who have served in our armed forces. We would love to welcome veterans from every branch of service to join us on November 12 as we recognize and honor them. If you or someone in your family would like to attend, please see the Veterans Day feature below for details.

May we continue to recognize God's goodness and "give thanks in all circumstances; for this is the will of God in Christ Jesus for you." (1 Thessalonians 5:18).

Grace & Peace,
Chris Etter
